

enabled, efficient, ready.

OPTIMISATION EXAMPLE A

Size:

- › 1100m² of DC floorspace (or Whitespace) over three halls

Energy Saving:

- › 32% cooling energy saving
- › £106k saving per year (121kW saving @ £0.1/kWh)
- › ROI 0.5 years

Risks:

- › Cooling resilience tested and passed
- › 100% of racks now placed with ASHRAE recommended temperatures
- › 400kW cooling capacity release

OPTIMISATION EXAMPLE B

Size:

- › 750m² of DC floorspace (or Whitespace) over two halls

Energy Saving:

- › 21% cooling energy saving
- › £29k saving per year (33kW saving @ £0.1/kWh)
- › ROI under 1 year

Risks:

- › Cooling resilience tested and passed
- › 100% of racks now placed with ASHRAE recommended temperatures
- › 350kW cooling capacity release
